Lynda, I'll call you and can call Joelle if she's available at 4:30 p.m. EST today.

I will push back on Dennis and tell him that the best we can do is get something to him and Will by tomorrow 10 a.m. PST. Does that help?

Deliberative/Pre-Decisional—Not for Public Disclosure

I understand the general concern and I share it. However, we need to get this done. Here's a revised version of the ASK of the State that I have put together based on what staff have essentially done to date. The major difference is that I have put in a milestone when the State needs to deliver the program, be it voluntary or regulatory, to address the CZARA shortfall. For all areas, the deadline I've used is end of calendar year 2015.

Christine,

I understand the push and would like to accommodate. I have concerns with our ability to make sure we're on the same page by COB today.

In general, I think we need to rely on the language from the draft findings so we make sure our message to the state is consistent.

I'm about to go into a few meetings, but will try reaching you after 1pm PT. Lynda, Let us know if you're available, say at 4:30pm.

Thanks, Joelle
